FINANCIAL SOLUTIONS

All Saints Financial Solutions is a trading style of All Saints Financial LLP which is an Appointed Representative of ValidPath Ltd, which is authorised and regulated by the Financial Conduct Authority.

- The value of investments can go down as well as up, and past performance is no guarantee of future returns
- Your home may be repossessed if you do not keep up repayments on a mortgage or other debt secured on it
- Equity release may involve a lifetime mortgage or a home reversion plan. To understand the features and risks, ask for a personalised illustration.

Equity release may not be right for everyone. It may affect your entitlement to state benefits and will reduce the value of your estate.
